IRIS LISTINGS FOR 1963

May 1963 be a good Iris year for you. You will no doubt want some new Iris, too. You will find many very fine Iris listed in this catalog. The rhizomes are first quality and guaranteed true to name. Some newer varieties are scarce in quantity, especially those marked NET. So, order early and avoid the disappointment of having your choice of Iris sold out before your order is received.

Please note that after July 1 all Iris will be sold for ONE-HALF listed price, except those marked NET. Choose the varieties you wish and make the list on the special order sheet included in the catalog. Add up the total price and deduct ONE-HALF. PLEASE INCLUDE EXTRA FOR POSTAGE. Then name two or three varieties you would like as a bonus. I want to send a bonus to more than make up what you spend in postage, so be liberal in postage. Checks or money orders are the safest ways to send money.

The shipping season will be from July 1 to October 1.

You may order early and reserve Iris at the half price to be shipped early in the shipping season.

No substitution will be made on your regular order unless your request it. Money will be refunded for items sold out unless you name substitutes.

Thank you sincerely for past orders and the many kind letters. I truly appreciate them. I am looking forward this season to hearing from my old friends and many new ones, too. May you have a happy Iris season.

GREETINGS, IRIS FRIENDS

The Iris season is near at hand and with you, I am looking forward to the new and thrilling bloom of both old and new Iris. It is like meeting old and making new friends. Each Iris has personality and character, much as people. Some are very pleasing and some we do not particularly care for but each has its place to fill. And there is beauty in every flower the same as there is good in every person if we look for it.

Please note in the foreword that the shipping season is July 1 to October 1 this year. So order early to avoid disappointment. If for any reason rhizomes purchased from Mathews Iris Gardens do not please you, do write me your problem. I want to please you. Be sure to note the half price rate explained in foreword on page 1.

Terms: Money order or check with your order, and please be sure to include **EXTRA FOR POSTAGE** and your bonus will be special. Washington residents must send 4% for sales tax.

Join the American Iris Society. You will receive four valuable bulletins on Iris culture, hybridizing and garden culture. The dues are only \$5.00. Mail check to The American Iris Society, 2237 Tower Grove Blvd., St. Louis 10, Missouri.
